Get List of all Owners of files in Directory

The diagram illustrates a directory structure. On the left, a large yellow folder icon represents the parent directory. Five lines radiate from its right side to five smaller yellow folder icons arranged vertically on the right. Each of these smaller folder icons is accompanied by a small grey icon of a person, representing the owner of that subdirectory. To the right of each owner icon is a horizontal line, suggesting a list of owners or a command to be executed for each.
